

Interim-manager en Consultant World Class Manufacturing

APUB interim-management

““As WCM expert, Laurent Neve has played an important role in introducing the WCM principles in the Possehl Electronics Netherlands Plant. His natural drive, strong interpersonal skills, analytical thinking and eagerness to reach effective results makes him an excellent change agent. Laurent used his abilities to successfully introduce Controlloops, Standardized Work, Continuous Improvement and 5-S in the production areas of our organization”.” *November 23, 2011*
